Bo,
Mike and I worked on the document and as far as I know, its back with Rick. I think we took Bob's comments where we could, and where Bob didn't provide a response we left that in the comment section.

I'm not sure what the timing is anymore on this document, however should we meet on Monday to discuss Bob's responses since Claire is out until next Thursday?

Claire et al:

My answers are in red below. I fear that they may not answer your questions, but this is as good as I can give you right now. I too am going to be out until the 6th, but I'll be checking emails next week and will be happy to engage in more discussion.

Subject: dicamba document remaining questions

Hi Scott and Bob,

We had a few remaining questions for the 24(c) document.

Ex. 5 AC/AWP/DP

After today, I will be out of the office until 1/6. Please reply to the whole group so someone in the office can address the changes.

Thanks,

Claire Paisley-Jones
